July 13: The birthdate in 1928 of Edwin Henry **Everett**, son of Almon Edwin and Estella (Trask) Everett of Williamsburg. Ed and his wife Marilyn (Bean) lived on his great-grandfather's farm between Hemenway and Ashfield Roads, adjoining the farm of his sister and brother-in-law Jean and Carl Hemenway. Ed and Marilyn were mainstays of the Williamsburg Historical Society for many years, Ed often volunteering his carpentry and handyman skills and Marilyn serving as long-time curator of our Old Town Hall museum. Their children and grandchildren have also been active in service to the town. They are greatly missed.
